

We have received the two final reports from Australia!

The final word score now stands at **Miki - 136**; Jesus - 51; Gospel - 59

And, once again, in terms of our analysis of their approach long before Australia, "**this gospel**" receives even more attention in the last two reports.

“Today we see men and women who pervert the gospel by bringing worldly movements and systems into the Church. “It’s amazing how when we mix the gospel with the world, the gospel it loses its power; that’s what we find in the Church today; one must be blind not to see this!”

Once again - despite "absolutely" denying that he criticises other churches on Carte Blanche - Miki sets up his audience for the usual -"everyone has got it wrong but we have the right gospel" message! (What he says is certainly true in some cases. "The most dangerous lie is the one closest to the truth!") Do the Alice Springs folks know Miki is referring to them???

“Miki is very serious about what he is sharing tonight. He goes on explaining how a little leaven leavens the whole lump, perverting the gospel and bringing about a mixture: the hand, the wisdom, the philosophy, and the experience of man. He stresses that 95% truth and 5% error is still a tragedy, as just 5% opens the door for the enemy to come and do whatever he wants. **Too often preachers wake up one day pretending they have received a revelation of God. They bring it as a doctrine that the whole church swallows...** “God is a jealous God,” he says. Many people are staring at Miki with wide eyes and open mouths... some even have a little smile that says a lot!

If it were not so serious, the rich irony of Miki's statements would almost be laughable!!!

This forum has shown over and over again that Miki Hardy claims a unique revelation of "the gospel" which is not the true biblical gospel. Its not even 95% correct. Nowhere in the bible is "taking up our cross" and "identifying with the cross" called the gospel! Its 100% wrong!

And his whole church (including our beloved family) swallows this carefully twisted mixture!

“It’s just a matter of hearing the right gospel for us to walk in victory... for Christians to be on fire for Jesus and to walk a pure and holy life.” Audrey says ‘Amen’ as Miki repeats “the right gospel... The one that captivates the heart of man!” He adds without hesitation that this can only come about through conviction and not by law.

The anointing is very tangible as Miki is preaching and the word is clear. “You preach the right gospel,” he says, “and young people are delivered from world, they respect one another as **brothers and sisters in Christ and don’t mess up their lives.**”

Once again Audrey can discern "the anointing" and all the followers reading the report are reinforced in believing Miki's "apostolic anointing"!!

CTMI leaders and fellow members are "respected" but what of the devastated parents, grandparents

and siblings who have endured the dishonour of withdrawal and "we can have nothing to do with you"? What of the secret marriages that cannot be reversed that will affect families for the rest of their lives? What of the waste of God given talent with those booked for medical school now doing half day admin jobs for the church? What of those with honours and masters degrees happily doing menial tasks and living "on the smell of an oil rag"? Who will pay for their children's education? What of those who are not "sons and daughters in the house" who ask a few questions and despite having made huge changes and sacrifices for these leaders are now hung out to dry? Ignored when desperately ill - love bombing radically transformed into lonely isolation!!

Sounds like messed up lives. 🤔 Miki leaves out this fruit of the "right gospel".

“Pointing to the Bible, he adds: “Remember, the letter kills but it’s the Spirit that gives life!” It is true that when we see that road, it seems very hard and difficult, as if we will never be able to go through tests and trials. Miki continues, saying that, “this is why we need His grace as we walk on the road, as we take up that cross and follow Him... for, if I want to take up that cross and follow Jesus without understanding His grace to help, uphold and enable me to finish that race I might stop half way.”

Clear evidence of gnostic glorification of spirit vs knowledge!! (Reminiscent of church leaders in Hillcrest being told to **"put the book aside and let God speak to your heart"**!)

Also clear evidence of the Roman Catholic teaching of righteousness "imparted" by grace vs the Protestant "imputed" by faith teaching!

“The Roman Catholic understanding of justification is very different from this. They understand justification as something that changes us and makes us holy within. According to the teachings of the Council of Trent, justification is sanctifying and renewing of the inner man’ This view may be said to understand justification as based not on imputed’ (legal reckoning) righteousness but on infused’ righteousness – that is righteousness that changes us internally and in terms of our actual moral character - (Wayne Grudem - Systematic Theology)

“For Miki, when we catch the spirit of the gospel, the heart of Jesus, we will understand and open our hearts for what God wants to do even if we don’t understand. We are ready to submit and obey, accepting that after trials and situations, there’s victory in the circumstances; **but the greater victory is deep down in our hearts.**

NO! The great victory was won when Jesus cried "It is finished" and God "exalted him and bestowed on Him the name that is above every name..!"

“Taking pleasure in my infirmities, in persecutions and distresses for when I am weak then I am strong. That’s another gospel folks... **the real Gospel!**

Aaargh NO again!!!! The real gospel is the power of God for salvation through the **FINISHED WORK OF CHRIST** and **NOT** the way we handle our puny lives of persecutions and distresses!!

“He adds: “This man went through fire. His life was a total identification with Christ! That’s the reality of the gospel!”

NO again Miki!!! It seems the truth of the bible is dead to him! The gospel is NOT our identification with Christ in suffering and self denial. We are saved by HIS work and His work alone!!!

The New Testament is very clear that the gospel is about Christ dying for our sins! We have offended God and He is righteously angry with us. His anger must be appeased and His wrath turned away! Sin must be punished. Christ's death did that for us!!!! **(God made him who knew no sin to become sin for us that we might become the righteousness of God in HIM - 2 Corinthians 5:21)**

The New Testament refers to sin 246 times because it is the real cause of "the gospel". **In 8 reports on Miki and Audrey's addresses in Alice Springs - there is NOT ONE reference to sin.**

The amazing finished work of Christ - the very heart of the whole New Testament message **((1 Cor. 15:3**

For I delivered to you as of first importance what I also received: that Christ died for our sins in accordance with the Scriptures) and the only foundation for our acceptance and growth gets one vague reference in Report 4

“Miki reassures the youth that, “everyone at any age has their own battles, trials, and difficulties of life and that **Jesus died for everyone** that we may walk a holy life.” He adds, “today what I’m going to share with you will show you that it is possible to live a life pleasing to the Lord even if you are young!”

And it's hidden in the typical "you living a pleasing and holy life for the Lord" emphasis.

And Miki's "gospel" is mentioned 59 times!!!!???

Miki Hardy has wrenched the heart out of the one true gospel! Yet he hardly ever speaks without glowing blindly in Paul's warning to the Galatians as though it applies to all others but himself!

Galatians 1:8-9

But even if we or an angel from heaven should preach to you a gospel contrary to the one we preached to you, let him be accursed. [9] As we have said before, so now I say again: If anyone is preaching to you a gospel contrary to the one you received, let him be accursed.
